## ABSTRACT

This paper, entitled "Land Registration at National Land Agency in Semarang" is the result of field study that was conducted for one month (February 17<sup>th</sup> until March 14<sup>th</sup> 2003) at National Land Agency in Semarang. This study is aimed at describing the procedure of land registration at National Land Agency in Semarang.

The data of the study were collected by using interview, observation, and library research. The interview was conducted to get information about the procedure of land registration at National Land Agency in Semarang. The observation was aimed at understanding the activities of land registration. The library research studied the procedure of land registration in which the National Land Agency in process of making a certificate.

From the data analysis, it can be concluded that the land registration at National Land Agency is the duty for the people who want to own land. The procedure of land registration at National Land Agency in Semarang must follow the procedure that has been decided as follows :

1. Completing all the requirements.
2. Measuring and mapping the land, and notifying the applicant of his land.
3. Publishing the applicant's certificate.
