

CONCLUSION AND SUGGESTION**4.1 Conclusion**

From the previous chapter, it can be concluded that The Benefits of Online Job Market (BKO), are follows:

1. Benefits of Online Job Market (BKO) for Job Applicant:
 - a. Job applicants get the job vacancy at Job Market online
 - b. Job applicants get a job appropriate with the skill
 - c. Job applicants register and send the application at Online Job Market website directly.
2. Benefits of Online Job Market (BKO) for Job Supplier:
 - a. Job supplier gets the employee from Online Job Market website
 - b. Job supplier gives the job vacancy for job applicant
 - c. website Job supplier can register and give the job vacancy at Online Job Market

4.2 Suggestion

Online Job Market (BKO) is alternative job vacancy media, so:

1. Online Job Market (BKO) needs to socialize to public because it is the main job vacancy advertisement especially for job applicant who looks for a job by Department of labor and population Resettlement or other advertisement.

2. Online Job Market needs to develop especially the facilities to be browsed easily by job applicants .
3. Renew Online Job Market (BKO) data so that data entry mistakes has never occur because of invalid data.
