ABSTRACT

The author will discuss about the movements of the folk dance soran bushi, which is taken from the video dance tutorial. The purpose of this study was to determine what meaning is contained in the movement of the folk dance. The study authors used a qualitative descriptive research type. The results of this study indicate that each of the movement on folk dance soran bushi has motion like a caught fish. Because, the folk dance there are movements such as pulling the nets, take the fish and rowing boat.
