Dear respected IRCBE participants,

We hope this email finds you well. We are pleased to inform you that the proceedings for IRCBE papers are in ongoing process. However, there are several points to note:

1. The entire process for the publication of the proceedings follows the **standards of Advanced Science Letters (ASL)**. All manuscripts must be in English, typed single-spaced on one side of the page throughout (including footnotes, references, tables, legends) on 8.5" x 11" or A4 white paper leaving at least 1 inch left hand margin. The font style is Times New Roman with 12 pt, and maximum pages = 4 (for 5 pages and above, an additional fee USD 100 per page is charged). Therefore, we need you to **reformat** your paper according to ASL standard (**ASL template and ASL-sample-format attached**).
2. The **deadline** for reformat paper is **10 days** after this notification. **The deadline for reformat paper is November 9, 2016.** The paper from participant who pass the deadline will not be included in the further review processes.
3. The proceeding will only publish **100 papers**, hence the participants competed with each other to be published in accordance with ASL standard review process. The papers that are not published in ASL, will be published in the domestic proceeding with ISBN.
4. The acceptance notification will be given after receiving feedback from reviewer.

The reformat paper with ASL standard has to be **saved** as Microsoft Word documents, **named** based on the participant's last name (e.g. Dian Sastro Wardoyo à DS_Wardoyo.docx), and **sent** via email to ircbe.undip@gmail.com and wahyuwid2002@gmail.com. (**Note: papers must not be submitted directly to ASL**).

We are looking forward to receive your reformat paper.

Should you have any further enquiries, please do not hesitate to contact us.
