ABSTRAK

This thesis entitled 'Bree Tanner's Dilemma to Trespass and Seek The Truth After Her Short Second Life' has an objective to describe the dilemma and anxiousness of the main character in Stephenie Meyer's™s The Short Second Life of Bree Tanner.

Library research method is used to gain the references dealing with the object of analysis. The structural approach is used to analyze the structural elements, like character, conflict, and setting. While the psychological approach is used to analyze dilemma and anxiousnes of Bree Tanner as the main character.

The result of analysis shows that Bree Tanner belongs to static character since she done nothing even she experiences dilemma and anxious herself. She experiences internal conflict against herself and external conflict against Diego, Riley, Fred, The Cullen, and The Volturi. Setting in this thesis divided into setting of place and setting of time. Finally, Bree Tanner's dilemma to trespass and seek the truth after her short second life shows when she has to believe that Diego is still alive.

Kata Kunci : Keywords: anxiety, anxious, dilemma, character, the truth
