ABSTRAK

The title of this thesis is Interpersonal Metadiscourse Markers used in Michelle Obama Speech. It has two objectives. First, it is aimed at finding out the types of interpersonal metadiscourse markers in each sentences used in Michelle Obama Speech. Second, it is aimed to explain the functions of them. This research uses qualitative research, because the research does not give the numeral or statistics, but just depends on the knowledge of the researcher in analyzing the data. The data of this study were analyzed by using some steps; first, reading the speech transcript; second, identifying and classifying the interpersonal metadiscourse markers, then, describing the function of interpersonal metadiscourse markers, and the last steps is interpreting the data and drawing conclusion. The result showed that there are two categories of interpersonal metadiscourse markers used in Michelle Obama Speech; those are interactive and interactional metadiscourse. There are 165 (44,2%) interactive metadiscourse and 209 (55,8%) interactional metadiscourse. Kinds of interactive metadiscourse found in Michelle Obama Speech are 145 (38,8%) transitional which is the highest percentage, because transitional is conjunction that functions to relate one sentence with other sentences, next is 9 (2,4%) frame markers, then 7 (1,8%) code glosses and the last is 4 (1,1%) evidentials. Meanwhile, kinds of interactional metadiscourse found in Michelle Obama Speech are 40 (10,7%) hedges, 8 (2,1%) boosters, after that 135 (36%) self mentions. Self Mentions is the dominant interactional metadiscourse, because when Michelle Obama speaks about her opinion, she gives statement to audience who became author for them and the last for interactional category is 26 (7,0%) engagement marker.

Kata Kunci : interpersonal metadiscourse, interactive metadiscourse, interactional metadiscourse, metadiscourse, Michelle Obama Speech.

INTERPERSONAL METADISOURSE MARKERS USED IN MICHELLE OBAMA SPEECH

ABSTRACT

The title of this thesis is Interpersonal Metadiscourse Markers used in Michelle Obama Speech. It has two objectives. First, it is aimed at finding out the types of interpersonal metadiscourse markers in each sentences used in Michelle Obama Speech. Second, it is aimed to explain the functions of them. This research uses qualitative research, because the research does not give the numeral or statictics, but just depends on the knowledge of the researcher in analyzing the data. The data of this study were analyzed by using some steps; first, reading the speech transcript; second, identifying and classifying the interpersonal metadiscourse markers, then, describing the function of interpersonal metadiscourse markers, and the last steps is interpreting the data and drawing conclusion. The result showed that there are two categories of interpersonal metadiscourse markers used in Michelle Obama Speech; those are interactive and interactional metadiscourse. There are 165 (44,2%) interactive metadiscourse and 209 (55,8%) interactional metadiscourse. Kinds of interactive metadiscourse found in Michelle Obama Speech are 145 (38,8%) transitional which is the highest percentage, because transitional is conjunction that functions to relate one sentence with other sentences, next is 9 (2,4%) frame markers, then 7 (1,8%) code glosses and the last is 4 (1,1%) evidentials. Meanwhile, kinds of interactional metadiscourse found in Michelle Obama Speech are 40 (10,7%) hedges, 8 (2,1%) boosters, after that 135 (36%) self mentions. Self Mentions is the dominant interactional metadiscourse, because when Michelle Obama speaks about her opinion, she gives statement to audience who became author for them and the last for interactional category is 26 (7,0%) engagement marker.

Keyword : interpersonal metadiscourse, interactive metadiscourse, interactional metadiscourse, metadiscourse, Michelle Obama Speech.
